Sir,

Greetings of Peace!

Scouting has been part of co-curricular activities for values formation among our learners in the Department of Education. As RA 7278 mandates BSP as an organization that recognizes the vital role of Filipino Youth in Nation building, it helps develop boys and girls into socially conscious, morally educated, skill tested, environmentally aware and service-oriented citizens and leaders of the country through the Scout Oath and Law. It also develops Scouts to embody and actively participate in to instill discipline among our scouts and broaden experience through a variety of activities as some of the major objectives of Scouting. Scouting also makes the youth active volunteers, community builders, disaster responders, and environmental warriors, among others.

In view of this, **Mariveles Senior High School – Sitio Mabuhay** will be conducting its **ROVER VIGIL** on **December 6, 2024**; as part of revitalizing scouting in our school and the community, I, the undersigned would like to request your good office for the approval of the aforementioned activity.

It is my fervent hope and prayer that this humble request will be given meritorious favor from your very good office and your positive response will surely grace everyone partaking in this endeavor.

Thank you and God Bless!

Respectfully yours,

Sctr. MARY JANE H. GUTIERREZ
BSP-Coordinator
