All Others Concerned

1. Pursuant to the provisions outlined in the Joint Memorandum Circular (JMC) Series of 2024 and TESDA Circular No. 45, s. 2024, this Office hereby announces the conduct of the TESDA Free National Certification Assessment for Senior High School (SHS) students enrolled in the Technical-Vocational Livelihood (TVL) track.
2. This initiative aims to:
 - a. ensure the high-quality assessment and certification of SHS-TVL learners, consistent with the guidelines set by TESDA;
 - b. provide learners with an opportunity to secure NCs that align with their TVL specializations; and
 - c. strengthen the employability of SHS-TVL graduates.
3. School Heads of Senior High Schools offering TVL tracks are directed to submit the list of SHS-TVL learners eligible for assessment, indicating their qualifications, along with the accomplished NC Application Forms and Self-Assessment Guides (SAGs) for each learner. These documents must be endorsed to the Division Office through the Education Program Supervisor in charge of Senior High Schools, who will then forward the compiled documents to the TESDA Provincial Office for scheduling and implementation of the assessment.
4. TESDA-certified assessors will conduct the competency assessment in adherence to TESDA standards, as detailed in the enclosed schedules and designated assessment venues. School Heads are responsible for ensuring compliance with the required documents and their timely submission, while the Division Office Senior High School Secretariat will oversee the process and provide technical assistance to guarantee smooth implementation.
