**SUBJECT: INVITATION TO JOIN THE CLEAN-UP ACTIVITY AND ZERO WASTE  
SUNRISE TO SUNSET CONCERT**

Dear Dr. Violeta:

In line with SBMA's Carbon-Neutral Program and continuing action for ISO 14001:2015 Recertification, the Ecology Center will kick-off the "January as Zero Waste Month Celebration in SBFZ" on **January 13-17, 2025**. Zero Waste Month is celebrated annually during the month of January, as declared by Proclamation No. 760 series of 2014 by then President Benigno Aquino III. The theme for 2025 is Food Waste No More and Break Free from Plastics. The celebration aims to guide people in changing their lifestyles and practices to emulate sustainable natural cycles where all discarded materials are designed to become resources for others to use.

In this connection, we would like to invite your faculty and students to participate in the following activities relative to the Zero Waste Month Celebration:

1. Clean up on either January 16 or 17, 2025 7AM at the Boardwalk area. Interested participants may register through the link below: <https://tinyurl.com/ZeroWasteCleanUpActivity>
2. Zero Waste Sunrise to Sunset Concert on January 17, 2025, 5PM at the Boardwalk area. This concert is FREE and open for all. Interested attendees may bring their recyclables to be collected during the concert.

For further information, you may contact the Policy and Monitoring Division at 252-4416/4435.

Thank you very much and we look forward to your participation in the said activities to a better, cleaner, safer, healthier and carbon-neutral Subic Bay Freeport.

Very truly yours,
