1. In line with ongoing efforts to enhance the employability and technical skills of Senior High School (SHS) students, and pursuant to the provisions outlined in the Joint Memorandum Circular (JMC) Series of 2024 and TESDA Circular No. 45, s. 2024, the Schools Division of Bataan hereby announces the continuation of the TESDA Free National Certification (NC) Assessment for eligible SHS students enrolled in the Technical-Vocational Livelihood (TVL) track.
2. This initiative aims to provide students with a recognized certification that validates their competencies in their respective technical-vocational-livelihood (TVL) specializations.
3. Eligible students who have submitted NC Application Forms and Self-Assessment Guides (SAGs) from various public Senior High Schools offering TVL tracks are required to undergo the assessment as per attached schedule. School heads and designated TVL coordinators are responsible for ensuring that students meet the necessary qualifications and are adequately prepared for the assessment. Preparatory activities include review sessions and hands-on exercises aligned with the competencies required for certification.
4. TESDA-certified assessors will conduct the competency assessment in adherence to TESDA standards, as detailed in the enclosed schedules and designated assessment venues. School Heads are responsible for ensuring compliance with the required documents and their timely submission, while the Division Office Senior High School Secretariat will oversee the process and provide technical assistance to guarantee smooth implementation.

6. This Memorandum also serves as the official travel authority for the attached list of student-assesseees, their respective teacher-chaperones, and the Division Senior High School Secretariat.
7. Immediate dissemination of this Memorandum to all concerned is requested.
