M A D A M:

Greetings in the name of culture and the arts!

I am writing to seek your esteemed support and collaboration in conducting our annual provincial promotion for School Year 2025 – 2026 for Grade 6 students in the province of Bataan through a Division Memorandum.

The annual screening program or BHSA Entrance Screening Test (BEST) is a pivotal initiative aimed at enhancing educational outcomes by identifying and addressing the diverse needs of students across these regions. Our primary objective is to provide early intervention and support to ensure that every student can succeed academically and personally.

In line with our commitment to implement the mandates of Republic Act No. 11190 and Republic Act No. 10533, also known as the "Enhanced Basic Education Act of 2013," our school is dedicated to offering a general secondary curriculum that places a special emphasis on the arts. This focus is designed to recognize early talent and exceptional giftedness among young children. In doing so, we aim to nurture artists of excellence and contribute to the preservation and promotion of Filipino heritage.

We believe that with your esteemed guidance and collaboration, we can successfully implement this program and make a significant impact on the education and lives of young artists in these regions.

We are eager to work together to ensure the success of this initiative and to bring about positive change within our educational system. Attached in this letter is the proposed schedule of the provincial promotion.

Thank you very much for your attention and support.

Yours Truly,

MIA ARIANA PITACIONGCO, PhD
