Dear Regional Dir. Mallari:

Greetings of Peace!

We are PAPDEV, the Philippine Alliance of Parent Officers and Parents for Collaborative Development Inc., a non-stock not for profit organization established in 2022 duly registered with the Securities and Exchange Commission. We aim to become the national organization of supportive, committed and collaborative parents/guardians and parent officers promoting shared responsibility, accountability and development geared towards the advancement of parenting in the country thus, providing a stronger support pillar for the learners' progression. In addition, we are an organization in full support of the United Nations' Sustainable Development Goals (SDG30).

We strongly believe that the success of the teaching learning process is not just dependent on the quality of instruction but also on the critical role that parents play specifically in today's post pandemic transitional phase. An educational environment where parents strongly support, actively participate and wholeheartedly collaborate with various programs for the benefit of the learners is the best scenario we can have to help learners overcome the various challenges in learning. This is where PAPDEV Inc., can be of help, being a national organization institutionalized to strengthen parents' participation in the education sector. With our SDG 2030 aligned programs, we strongly believe that there are more untapped opportunities where we can collaborate and advance parenting particularly in the areas of leadership, sustainable project development, financial resource generation, and management to name a few.

In this light, we are pleased to submit to your good office the proposal for partnership to conduct the PTA Officers Leadership, Project Development and Parenting Capacity Building Workshop FREE of CHARGE for the 21 division offices under the department of Education Region 3. Your preferential approval would be equivalent to a monumental step towards our vision, Filipino parents' collaboration towards learners' development. Thank you very much for your time. God bless po and more power!
