PROJECT PROPOSAL

Activity: Division School-Based Mass
Training of Teachers
on the Revised K to 12 Curriculum for
Grades 2, 3, 5, and 8 Training of Trainers

Date: June 28-30, 2025

Proposed Venue: TBA

Source of Fund: SARO – DEPED-ROIII-2025-05-0659

I. Rationale: With the rollout of the revised K to 12 curriculum under the MATATAG framework, there is a pressing need to capacitate teachers to ensure effective implementation of the updated content standards, performance standards, and learning competencies. Teachers in Grades 2, 3, 5, and 8 are expected to deliver instruction aligned with the revisions starting this school year. A division-led school-based training aims to support teachers' understanding of the curriculum changes, instructional adjustments, and assessment strategies to strengthen curriculum delivery and improve learner outcomes.

II. Objectives:

- To orient teachers on the guiding principles and framework of the revised K to 12 curriculum under the MATATAG agenda.
- To deepen understanding of the updated content and performance standards for Grades 2, 3, 5, and 8 across all learning areas.
- To equip teachers with appropriate pedagogical strategies and teaching-learning materials aligned with the revised curriculum.
