REGION III
SCHOOLS DIVISION OFFICE OF BATAAN

DIVISION ADVISORY
NO. 133, s. 2025

JUN 16 2025

**ONSET OF THE RAINY SEASON DUE TO
SOUTHWEST MONSOON (HABAGAT)**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Public Elementary and Secondary School Principals
All Others Concerned

Recent weather analysis and rainfall data from selected DOST-PAGASA stations indicate that scattered to widespread rainfall has occurred over the past five days as a result of the Southwest Monsoon (Habagat). This marks the official **onset of the rainy season** over the western sections of Luzon and Visayas.

In line with this, all schools and offices are advised to:

- Take precautionary measures against possible flooding, landslides, and other hazards associated with heavy rainfall.
- Ensure that disaster preparedness and response protocols are reviewed and updated.
- Monitor official updates from PAGASA, local DRRM councils regularly.
- Follow official announcements from PAGASA, LGUs, and DepEd regarding class suspensions and evacuation orders.
- Keep communication lines open for timely dissemination of weather-related advisories.

For guidance and strict compliance.

CAROLINA S. VIOLETA, EdD, CESO V
Schools Division Superintendent

MEMORANDUM

**TO: ALL PDRRMC MEMBER AGENCIES
LOCAL DRRM COUNCILS**

SUBJECT: ONSET OF RAINY SEASON

DATE: JUNE 04, 2025

References:

- a. NDRRMC Memorandum No. 132, s. 2025 Onset of the Rainy Season 2025
- b. DOST-PAGASA Press Release dated 02 June 2025
- c. DILG Memorandum Circular No. 2025-051 subject: *Listo sa Tag-Ulan: Preparedness Measure of Local Government Units for the Rainy Season CY 2025*
- d. RDRRMC Memorandum No. 37 s. 2025 Onset of the Rainy Season 2024

1. The above references pertain to the occurrence of scattered to widespread rainfall has been observed in the past five days due to Southwest Monsoon (Habagat). This signifies the onset of the rainy season across the Western sections of Luzon and Visayas

2. On the other hand, there may be breaks in rainfall that extend over a few days or weeks, also referred to as monsoon breaks.

3. In this regard, all PDRRMC Member Agencies and the twelve (12) LDRRMCs, the general public, and all other stakeholders are hereby directed to undertake the following preparedness actions and precautionary measures:

A. PDRRMC MEMBER AGENCIES

- Undertake risk-informed decision-making
- Undertake Pre-Disaster Risk Assessment (PDRA) and other related meetings, as needed
- Undertake resource inventory and stockpiling as RDRRMC Response Clusters.

B. LOCAL GOVERNMENT UNITS/ LOCAL DRRM COUNCILS

- Undertake and implement science and evidence-based decisions within AOR in the conduct of Pre-Disaster Risk Assessment (PDRA)
- Prepare critical facilities and services
- Maximize the Local DRRM Funds
- Increase capabilities for logistics requirements
- Adhere to the LISTO Protocol of DILG

C. OTHER STAKEHOLDERS

- Coordinate with LGUs for prepositioning of resources and other preparedness activities

D. GENERAL PUBLIC

- Monitor the news and authorized government sources for weather updates, warnings and advisories
- Check and prepare "Go Bags"
- Stockpile goods at home

4. Furthermore, all concerned agencies are advised to take precautionary measures against the impacts of the rainy season, Habagat, and the impending La Niña such as floods and rain-induced landslides, as well as to man their respective 24/7 Operations Centers, and monitor their AOR for any related untoward incident.

PRESS RELEASE

DOST-PAGASA S&T Media Service
Quezon City, 02 June 2025

ONSET OF THE RAINY SEASON

Based on the latest weather analysis and rainfall data from selected DOST-PAGASA stations, scattered to widespread rainfall has been observed in the past five days due to the Southwest Monsoon (Habagat). This signifies the onset of the rainy season across the western sections of Luzon and Visayas.

However, there may still be breaks in the rainfall that extend over a few days or weeks, referred to as monsoon breaks.

PAGASA will continue to monitor the weather and climate situation in the country. The public and all concerned agencies are advised to take precautionary measures against the adverse impacts of the rainy season, Habagat, and other climate and weather events.

For more information, you may reach us via phone at (02) 8284-0800 local 4801 (Weather Forecasting Section) and 4920/4921 (Climate Monitoring and Prediction Section) or email at information@pagasa.dost.gov.ph; climps@pagasa.dost.gov.ph.
