Dear Dr. Mallari:

Greetings of peace!

Duly recognized and accredited by the Office of Student Affairs of the University of the Philippines Diliman, the **UP AGUMAN** is a socio-civic, not-for-profit, service-oriented organization of Kapampangan-speaking students based in the University of the Philippines in Diliman, Quezon City. Formally recognized on December 12, 1973, the organization embraces its aims to uphold the truth, to promote man's inherent goodness and capabilities, and to appreciate the importance of human relations.

In line with UP Aguman's ideals, the organization holds annual review sessions for Kapampangan graduating high school students. The **College Entrance Examination Review (CEER)** is a project crafted with the intention to inform and equip students with the essential knowledge and awareness to help them be ready to embark on college life. The whole-day event will feature guest instructors and professors from UP Diliman who will share their knowledge and expertise in their respective fields to help students prepare for the upcoming admission exams of different colleges and universities.

In line with this aim and having the same sentiments about the importance of nurturing the students academically, the organization would like to request an advisory from your office. An official advisory by your generous office will greatly push CEER 2025 in a much better direction. As a group of young people with our own responsibilities at the university, we have managed to maintain a tradition of excellence in education and learning among our fellow young students in our beloved Pampanga. We believe that with sufficient support from more relevant institutions, we can do so much more.
