Dear Ma'am Violeta:

Subject: Request for Approval of Dental Health Campaign and School Visits

Warm greetings from the Dinalupihan Municipal Health Office – Dental Section.

In line with our commitment to promote better oral health among school-aged children, we are respectfully requesting your permission and endorsement to allow the Dentists of Dinalupihan to conduct a series of Oral Health Education and Dental Examination activities in selected schools under your jurisdiction:

The proposed schedule and target participants are as follows, including whose dentist to be led by:

- **July 12, 2025** - Sta. Lucia National High School
- Junior High students
- Dr. Erlil C. Tajonera-Yandoc – RHU 3 & 4 Dentist
- **August 15, 2025** – Colo Elementary School
- Grade 6 students
- Dr. Katherine Y. Gonzales – RHU 2 & 6 Dentist
- **October 24, 2025** – Luacan Elementary School
- Grade 6 students
- Dr. Reuter M. Miguel – RHU 1 & 5 Dentist

These activities aim to educate students on proper oral hygiene practices, provide basic oral health screenings, and implement preventive dental care interventions. We believe that early dental education and intervention are crucial in instilling lifelong healthy habits and preventing more serious oral health issues.

Thank you very much for your continued partnership in advancing the health and well-being of our students.

Respectfully yours,

Dr. Erlil C. Tajonera-Yandoc
Municipal Dentist
