INVITATION TO PARTICIPATE IN THE LEARNING THROUGH EXPERIENCE (LTE) PROGRAM

The LTE Team invites learners to join the **Learning Thru Experience (LTE)** program, a school-based series of interactive and engaging educational activities designed to support the K to 12 curriculum. The program provides learners with opportunities to explore real-world applications of science **within the safety of the school campus**, with flexibility to accommodate different grade levels or academic strands.

Participation by learners and school personnel is entirely voluntary and will not interfere with instructional time. This adheres to the provisions of DepEd Order (DO) No. 015, s. 2025, titled *Multi-Year Implementing Guidelines on the School Calendar and Activities*, and DO No. 009, s. 2005, titled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

Please refer to the attached invitation letter for additional details.

Regional Director Deped Region III
Malmipis, City of San Fernando Pampanga

Dear Dr. Mallari,

Greetings!

We, the LTE Team is dedicated to give quality educational activities in line with the Department of Education K-12 Program that aims to produce prolific, responsible and competent citizens with skills for both lifelong learning and employment. Our program, "Learning Thru Experience or LTE" gives students an exciting way to explore the world of science. Our lectures and activities are highly flexible depending on the grade level or academic strand of the students. Primary topics are as follows:

Jungle Survival (30 Minutes)

This lecture and demonstration, teach students the basic "know-how" when it comes to survival.

Tech Manipulatives (30 Minutes)

An interactive and engaging showcase of technology that helps students understand the basic concepts of science.

Live Exotic Animal Encounter (30 Minutes)

This encounter with our amazing animals will help break the stigma of keeping only conventional pets and that all exotic animals are to be feared. It will also give the students deeper understanding of each specie diverse.

It is our company's goal to bring closer to community where students, kids and entire family can have an enriching educational experience through this Learning Thru Experience (LTE).

Should you have any inquiries please feel free to contact this number 0931-057-2360 and email

Thank you so much and God Bless Always.

Sincerely,

MATT C. BUMANLAG
LTE Head

Enjoy the fun and learning of our educational exhibit
