Dear SDS Violeta:

Greetings from the Provincial Government of Bataan!

We extend our sincere appreciation for your continued support to the rollout of the Bataeño Pass to selected schools under the Schools Division Office of Bataan.

As part of our joint commitment to this initiative, the Provincial Information Technology Office (PITO) will conduct the third batch of on-site assessment of ICT infrastructure in identified schools.

In this regard, we respectfully request your assistance in forwarding this communication to the concerned schools to facilitate proper coordination and readiness for the scheduled assessments, as outlined in the attached schedule.

These assessments aim to determine strategic locations for installing customized devices to help manage student movement and prevent congestion which are key to the effective implementation of the Bataeño Pass.

For any inquiries or clarifications, please contact Mr. Jan Raven L. Ochoa at 0930-788-0860 or Mr. Mart B. Andres at 0994-330-6524, or email us at bataenopass@bataan.gov.ph.
