MEMORANDUM

TO: MS. CAROLINA S. VIOLETA, EdD, CESO V
Schools Division Superintendent
Schools Division Office of Bataan

SUBJECT: 1BATAAN READY TRAIL

DATE: JULY 30, 2025

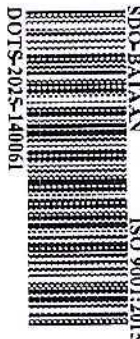

1. We extend our sincere appreciation for your continued support and commitment to the shared goal of building a disaster-resilient Bataan, especially in empowering our younger generation
2. As part of the ongoing observance of **National Disaster Resilience Month (NDRM) 2025**, the **Provincial Disaster Risk Reduction and Management Office (PDRMO)** is conducting the **"1Bataan Ready Trail"**. This indoor activity aims to strengthen disaster preparedness, promote resilience, and raise awareness among school-aged children, especially those residing in high-risk and hazard-prone areas, through engaging, age-appropriate sessions.
3. Please note a necessary change in the activity schedule. While initially rescheduled for **July 29, 2025**, the **"1Bataan Ready Trail"** has been **rescheduled once again to August 6, 2025**. This precautionary measure is due to current weather conditions and the anticipated adverse effects of the Southwest Monsoon. We want to ensure the safety and welfare of all participants, especially the children, as travel to and from the venue may still pose risks despite the indoor setup.
4. In line with this, we respectfully request your kind assistance in relaying this updated schedule to all identified schools and participants. We understand and appreciate the efforts already made in preparing for this activity.
5. For your reference and dissemination to your City and Municipal DRRM Offices, please be reminded of the following:
 - **Participants:** Three (3) students from Grades 5 to 6, aged 11 to 13 years old, from a school identified as most susceptible to the top hazard within their respective locality.
 - **Accompanying Adult:** One (1) teacher assigned to supervise and guide the team.
