Schools Division Superintendent

Schools Division Office of Bataan

Subject: Invitation to Join ROBORITHM 2025: Regional STEM Robotics Competition for a Cause

Dear Ms. Violeta,

Warm greetings!

It is with great enthusiasm that we invite the **Schools Division Office of Bataan** to participate in **ROBORITHM 2025**, the largest STEM-R (Science, Technology, Engineering, Mathematics, and Robotics) competition in Central Luzon, happening on **November 21, 2025**, at **Anne Raquel's Resort, Olongapo City**.

Organized by the **I-STREAM Education for Youth Corporation**, a non-profit organization composed of over 200 educators and volunteers, **ROBORITHM** is more than just a competition—it is an advocacy. Through this initiative, we seek to provide marginalized youth with access to free STEM and Robotics education, scholarships, robotics equipment, and opportunities to compete both locally and internationally.

Officially recognized by the Department of Education Regional Office III, this year's competition will bring together the region's brightest young innovators under the theme *"Mechatronic Community"*, highlighting teamwork, creativity, and the transformative power of technology.

We are honored to extend this invitation to your division to take part in this meaningful endeavor—whether as participants, supporters, or partners in shaping the future of STEM and Robotics education. Your involvement will not only showcase the ingenuity of your students but will also play a vital role in expanding opportunities for marginalized youth across Central Luzon.

For inquiries, confirmation of participation, and registration, kindly visit our official Facebook page *"Roborithm"*, where you will find registration links, competition mechanics, and official announcements. For additional concerns or assistance, you may also contact us at istreameducation@gmail.com.

We sincerely look forward to your participation and support in this impactful initiative. Together, let us empower the next generation of innovators and changemakers.

Thank you, and Mabuhay!

Respectfully,

AMIEROSE JULIA ELEPTICO

Event Coordinator
