Dear Ms./Mrs Violeta,

Greetings of Peace!

The Center for Social Concern and Action (COSCA) of De La Salle University and its student volunteer arm, the Lasallian Outreach and Volunteer Effort (COSCA-LOVE), will be celebrating its 37th **DLSU - For The Kids (DLSU-FTK 2026)** with the theme "**Haraya: A Festival of Dreams.**" The program will be held at Henry Sy Sr. Grounds in De La Salle University - Manila on February 1, 2026.

DLSU-FTK is a specialized Mini-Olympics participated by children with disabilities from various SPED centers all over Luzon that started in 1984 and continues to benefit over 12,000 children with disabilities through multiple activities. The theme "**Haraya: A Festival of Dreams**", signifies a vibrant celebration of hope and dreams of children. It is a festival that speaks laughter, stories, and dreams shared with open hearts. *Haraya*, meaning "imagination" or "vision," reflects the colorful aspirations we hope to create and bring to life. Through this theme, we aim to build a warm, Filipino-rooted space where kids and volunteers can form meaningful connections and experience a day full of *tawa*, *kwento*, and *saya*, where dreams are not just imagined but brought to life together.

In this regard, we humbly seek your generous support by allowing the following centers and/or schools to participate in the DLSU-FTK 2026:

- Kaparangan Elementary School
- Samahan ng may Ibat-ibang Kapansanan (SIKAP)

Through your support, we would be able to achieve our goal of sharing hopes and dreams with over 300 children.
