Subject: Updated Schedule – ROBORITHM 2025: Regional STEM Robotics Competition for a Cause

Dear Ms. Violeta,

Warm greetings from i-STREAM Education for Youth Corporation!

We would like to inform you of an important update regarding **ROBORITHM 2025**, our regional STEM-R competition. Originally scheduled for **November 21, 2025 (Friday)**, the event will now be held on **December 6, 2025 (Saturday)** at Anne Raquel's Resort, Olongapo City.

This adjustment was made to accommodate national robotics events occurring around the same period, ensuring that participating schools can join both without conflict.

As we previously extended our invitation, we hope to see your division's participation despite the updated date. Your involvement will continue to showcase your students' ingenuity and support opportunities for marginalized youth across Central Luzon.

For inquiries, confirmations, or questions regarding registration or competition mechanics, please visit our official Facebook page "**Roborithm**," where all links and announcements are available. You may also reach us directly at istreameducation@gmail.com.

We sincerely look forward to your continued support and participation in this meaningful initiative. Together, let us empower the next generation of innovators and changemakers.

Thank you, and Mabuhay!

Respectfully,

ENGR. PAUL S. VIACRUSIS
Executive Director
