DIVISION LETTER
No. 148, s. 2025

OCT 22 2025

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Division BSP Coordinators
Public Elementary/Secondary School Heads
All Others Concerned

This Office requests the attendance of the teachers and scout leaders to serve as Resource Speakers and Activity Officers during the conduct of the **31st Bataan Council Scout Jamboree**, to be held on **October 25–29, 2025**, at **Barangay Dangcol, Balanga City, Bataan**.

In line with this activity, school and district nurses are likewise directed to conduct the mandatory pre-jamboree health assessment for all participating Boy Scouts to ensure their fitness and safety throughout the event.

Attached are the lists of Resource Speakers and the letter requesting the School and District Nurses to conduct the said health assessments among participating scouts.

This Letter also serves as the Travel Authority of the requested officers.

Please be guided accordingly.

Dear Madame,

The Boy Scouts of the Philippines -Bataan Council is writing to formally request the invaluable assistance of **School Nurses and/or District Nurses** in respective districts in conducting mandatory pre-jamboree health assessments for our participating Boy Scouts.

This assessment is crucial for ensuring the safety and preparedness of all attendees for the **31st Bataan Scout Jamboree**, which is scheduled to take place from **October 25 to 29, 2025**. The participants requiring screening are composed of **Elementary and High School Boy Scouts** from schools across our district/province. The health assessment is essential for: Identifying any pre-existing health conditions that may pose a risk during the rigorous outdoor activities of the jamboree. Also, Ensuring all participants meet the minimum health requirements set by the national scouting organization and the event organizers. Allowing us to prepare the necessary medical and logistical support tailored to the specific needs of the group.

We propose that these health assessments be scheduled **October 21-24, 2025** at a location convenient for your nurses, such as a centralized clinic or designated school facility. We will ensure participants are scheduled efficiently to minimize disruption to regular school nursing duties.

We are prepared to collaborate fully regarding scheduling, forms, and any necessary logistical support your team requires. We firmly believe that the participation of your skilled medical personnel is vital to the success and safety of this large-scale youth event. We kindly request your office's favorable consideration and confirmation of support for this critical requirement.

Thank you for your continued partnership in prioritizing the health and well-being of our young scouts.

Respectfully yours,

MODESTO D. ANCHETA
Council Scout Executive
