Mental Health A4 Posters.pdf,

Good day!

As part of our ongoing efforts to align and support effective communication on our important programs, the Public Affairs Service (PAS) requests that all our information officers ensure the prompt dissemination of the Mental Health infographic posters provided by PAS to all schools within their respective regions and divisions.

With this dissemination, we hope that our schools will receive copies of the official infographic posters and be able to print the materials in sufficient quantities for display in prominent school locations or on bulletin boards.

Your cooperation is essential to ensuring that important information reaches all students and staff in a timely manner.

Thank you.
