In Romans 12:2, it says that, do not conform to the pattern of this world, but be transformed by renewing of your mind. Then you'll be able to test and prove what God's will is—his good, pleasing and perfect will. But in society where conformism often rules supreme, being a trailblazer or a pioneer entails courage, determination, resilience, and willingness to challenge the status quo. This testament reconnoiters the journey of the Chosen Trailblazer, the one who embarked and rivalled on a trail of transformation, renewing of mind, pushing of restrictions, inspiring and encouraging others along the way.

The journey begins with a simple call, a soft voice in the darkness that awakens a sense of purpose. For a trailblazer, call came in the form of a dream, vision of a world where imagination and creativity know no limit and inventiveness is the norm. Where being strange is something, must live by. With a heart ablaze and spirit renewed, the chosen trailblazer set out on a path that would take him to the ends of his potential but it won't let him down. As a trailblazer journeyed, he adopted a creed, a set of non-negotiable faith and principles that will serve as a guide through the setbacks, tribunals, and tribulations on his route through his remarkable transformation. This belief includes: Embracing Ambiguity, recognizing and accepting the mystery of the unknown can be a reagent for growth and development. Nurturing Originality, fostering the stimulus within, allowing countless ideas to flow naturally and freely. Challenging Standards, querying assumptions and pushing boundaries to generate new possibilities and

opportunities. Lastly, Stirring Others, sharing dreams, visions and empowering people to join to the extraordinary and fulfilling journey.

Through the junket, the chosen trailblazer discovered the transformative power of his own potentials and capabilities. He learned to harness and sharpened the skills, strengths, and to direct his weaknesses and channel the passions into meaningful action. As the he grew, so did his influence, continue to inspire a wider community of like-minded individuals to join him on his pursuit for innovation and advancement. The legacy of trailblazing is the testament of the Chosen One, the Trailblazer that is full of hope, courage and transformation. The journey serves as a guiding light, enlightening the path for others who dare to dream, create, innovate and to push beyond the limits of possibilities.

The journey of the Chosen Trailblazer, reminded each one of us can have the power and potential to be the “Chosen Trailblazer”, to forge our own path, and to leave a continuing legacy. The Real and the Chosen Trailblazer is a testament to the human spirit’s capacity for growth, innovation, transformation, and renewing of mind. The testament of transformation of the Chosen Trailblazer may encourage you to sail on your boat and embark on your own trail of discovery, to challenge the norms and to forge a legacy that will outlast you.
