SUBJECT: Letter of Request for Research Presentation
Re: 36th National Statistics Month
Venue: The Plaza Hotel Balanga City, Bataan
Date and time: 7 November 2025; ~~8:00 AM to 12:00 NN~~ 2pm onwards.

Dear SDS Violeta:

The Philippine Statistics Authority is celebrating the 36th National Statistics Month this October 2025, mandated by Presidential Proclamation No. 647 issued on 20 September 1990 "Declaring the Month of October of Every year as the National Statistics Month".

With this year's theme "**Accelerating the SDG Pace of Progress: Mobilizing Data for all**", the NSM celebration aims to: 1. promote, enhance and instill awareness and appreciation of the importance and value of statistics to the different sectors of society; and 2. to elicit the cooperation and support of the general public in upgrading the quality and standards of statistics in the country.

At the provincial level, we will be holding the 35th National Statistics Month Lecture Series and Statistical Exhibit that will include research poster presentation on during the NSM Closing Ceremony on the above venue and date. This will emphasize the use of statistics in research in various topics.

In view of this, may we request for four research papers from your agency that will be presented during an NSM activity. We will appreciate that the selected research is related to any of the Sustainable Development Goals.

Assigned personnel of PSA will be communicating with you to get your confirmation and feedback on/before **23 October 2025**.
