Date: January 19, 2026

CAROLINA S. VIOLETA, EdD, CESO V

Schools Division Superintendent
Schools Division Office
Kabukiran, Abucay, Bataan

Madam,

May this letter serve as a formal request from the undersigned for the approval of the conduct of **Senior Scout Survival Camp**. This activity is specifically designed for registered Senior Scouts within the Bataan Council.

In line with the aims of the Boy Scouts of the Philippines to develop well-rounded citizens, we believe that a survival camp offers an invaluable opportunity for our Senior Scouts to enhance their outdoor skills, foster self-reliance, promote teamwork, and deepen their appreciation for nature. The proposed camp will focus on practical survival techniques, including but not limited to:

- * Shelter building
- * Water procurement and purification
- * Fire starting
- * Basic first aid in wilderness settings
- * Navigation (map and compass, natural methods)
- * Foraging (identification of edible and medicinal plants, with proper supervision)
- * Knots and lashings for survival
- * Leave No Trace principles

We envision this camp to be held from **February 6-8, 2026 at Sitio Banawang, Bagac, Bataan**. We anticipate approximately 45 Senior Scouts to participate, along with a team of experienced and trained adult leaders.

We are committed to adhering to all BSP policies, safety guidelines, and environmental regulations throughout the duration of the camp. We will submit a detailed program of activities, risk assessment, and budget proposal for your review upon your favorable consideration of this request.

Thank you for your time and consideration of this important request. We believe this survival camp will be a memorable and highly beneficial experience for our Senior Scouts, equipping them with essential life skills and strengthening their commitment to the Scouting movement.

We look forward to your positive response and the opportunity to collaborate on this meaningful project.

Respectfully yours,

MODESTO D. ANCHETA
Council Scout Executive
