**CALL FOR RESEARCH PROPOSALS AND  
2026 DIVISION RESEARCH GUIDELINES**

To: Assistant Schools Division Superintendent  
Chief Education Supervisors  
Education Program Supervisors  
Public Schools District Supervisors  
SDO Personnel  
Public Elementary, Junior and Senior High School Principals  
Teaching and Non-Teaching Personnel  
All Others Concerned

1. In its efforts to continuously increase and improve the quality of research outputs in the Schools Division of Bataan, this Office informs all concerned of the 2026 Call for Research Proposals and the division research guidelines in the submission and acceptance of research proposals.
2. All researchers are allowed to submit their **research proposals year-round to their respective districts.**
3. It is emphasized that all districts must maintain their research committees that will accomplish the initial review of the documents.
4. The districts shall be given ten (10) working days to review the submitted research proposals and place their comments in the review form of the submitted proposals.
5. It is emphasized, however, that the District Research Committee shall only give their comments and recommendations in the review form and shall afterwards immediately forward the endorsements to the Division Office for the final review and evaluation. **Further, District Research Committees shall not return their submissions to the proponents.**
6. It is also highlighted that the research of the proponents must always be aligned with the Key Results Area of their current designation to ensure its relevance and impact to the proponent's current job description.
7. All research proposals shall adhere to the provisions of DepEd Order No. 16, s. 2017 titled Research Management Guidelines, DepEd Order No. 39, s. 2016 titled Basic Education Research Agenda and SDO Bataan Research Agenda (*see Enclosures*).
9. Likewise, researchers are reminded to strictly follow Regional Memorandum No. 228, s. 2020 titled Policy Guidelines on the Adherence to Ethical Research Principles and

Responsibilities in Studies Involving Teaching, Teaching Related and Non-Teaching Personnel and Learners.

10. Attached is the Requirements for Research Proposals (*Enclosure No. 3*).

11. The researchers may be invited by the SDRC to present their proposal, originally signed by the signatories, during the committee evaluation for inquiries and clarifications.

12. In cases when proponents receive research proposals which are labeled "with no favorable action", proponents are expected to resubmit their revised documents which comply with the comments and suggestions of the evaluators within 15 working days. Proponents may submit their proposals as soon as they have made the revision, along with the original proposal with comments and initial review form.

13. It is also announced that a research conference shall be held for Fiscal Year 2026, which will be announced through a separate memorandum. In line with this, the respective districts must anticipate the selection of their research entries for the following categories:

- |                           |                              |

Enclosure to Division Memorandum No. \_\_\_\_\_, s. 2026

## **SCHOOLS DIVISION OF BATAAN RESEARCH AGENDA FOR SY 2025- 2026**

In view of its commitment to contribute to the attainment of the Department of Education's vision, mission, goals and objectives through research-based planning, decision-making and policy formulation, the Schools Division of Bataan shall continue to adopt the Department of Education's Basic Education Research Agenda (BERA) stipulated in DepEd Order No. 39, s. 2016 and DepEd Region III's Harmonized Regional Basic Education stated in Regional Memorandum No. 185, s. 2020 which both highlight the four (4) themes namely Teaching and Learning; Child Protection; Human Resource Development; and Governance as well as the cross-cutting themes such as Disaster Risk Reduction and Management (DRRM); Gender and Development; (GAD) and Inclusive Education.

The Research Agenda provides guidance in the conduct of education research and ensures alignment with its vision, mission, core values and goals. It is expected to build on gains from existing research, generate new knowledge on priority research areas, focus DepEd's attention on relevant education issues, and maximize available resources for research within and outside the Department.

Anchored on the Philippine Development Plan (PDP) 2023-28, specifically in its goal of developing and protecting capabilities of individuals and families by promoting human and social development through improved education and lifelong learning; and aligned with the strategic framework of the Basic Education Development Plan (BEDP) and Division Education Development Plan (DEDP), the SDO Bataan Research Agenda specifies the contextualized and localized research priorities in order to address the key challenges of the Division.

### **Theme 1: Teaching and Learning**

As the national institution mandated to provide quality basic education to all Filipinos, DepEd seeks to ensure that learning outcomes are achieved by maximizing the competencies of teachers and potentials of all types of learners. This theme thus covers the actors, activities, and fundamental aspects of teaching and learning in various contexts. Specifically, the Research Agenda looks into the strategies, best practices, and facilitating and hindering factors relative to five sub-themes, namely: instruction, curriculum, learners, assessment, and learning outcomes.

- Tracking of Senior High School graduates
- Students losing interest in education
- In-depth review of the adequacy of the current language policy
- Effectiveness of different programs on improving learning outcomes, including a longitudinal analysis of learners' performance (i.e., NAT Grade 6 and Grade 10)

Republic of the Philippines  
**Department of Education**  
REGION III  
SCHOOLS DIVISION OFFICE OF BATAAN

- Comparison of performance on the language of testing (English) against the language of instruction (Filipino) in high stakes NAT-type tests
- Mapping and analysis of the integration of socio-emotional learning in classroom activities/lessons
- Effectiveness analysis on integration of 21st century skills in classroom activities/lessons
- Analysis of the SHS tracks – to determine effectiveness to support learner's success in next level of engagement
- Investment case analysis for scale-up of digital learning and other education futures programs
- Reasons why students underperform in learning standards
- Evaluation of the quality of learning resources
- Evaluation of real-world issues and creation of robotics
- Students' Attitude towards Assessment
- Teaching Reading/Numeracy
- Alternative Learning System (ALS)
- Alternative Delivery Modalities

### **Theme 2: Child Protection**

DepEd's learner-centered approach recognizes that a child's condition can significantly affect the achievement of learning outcomes. While the Department may not have the direct mandate and resources to address many of the social, economic, and personal issues of learners, it is committed to ensuring their well-being, particularly in situations where harm can occur in school or disrupt their studies. Child Protection, particularly, seeks to address reported incidents of bullying, teen-age pregnancy, child abuse, child labor addictive behaviors, and mental health. While laws and policies are in place to address these, there is a need for in-depth studies on their prevalence and effects. There is also a need to assess the effectiveness of previous interventions, and the potential of new approaches to better protect learners in schools.

- Study on bullying in schools to understand why it is higher in the Philippines in comparison with all the rest of PISA 2018 Countries
- Issues and management of child-related incidents
- Status of Monitoring and Referral System

### **Theme 3: Human Resource Development**

As DepEd is the nation's largest bureaucracy, it is imperative that various strategies are developed to nurture the vast human capital involved in delivering basic education. Research questions will delve into three subthemes: (1) teaching and non-teaching qualifications and hiring; (2) career development; and (3) employee welfare.

Republic of the Philippines  
**Department of Education**  
REGION III  
SCHOOLS DIVISION OFFICE OF BATAAN

- Teachers' needs analysis conducted at school level
- Public Expenditure Review – to determine efficiency and effectiveness of education delivery
- Mental Health
- Mentoring Support
- Research Aptitude
- Upskilling and Reskilling of Teachers

#### **Theme 4: Governance**

Managing the largest bureaucracy towards educating the nation's future requires efficient and effective operations. The Governance theme of the Research Agenda, which covers planning, finance, program management, transparency and accountability, and evaluation, underscores DepEd's commitment to ensure that its structure, systems, and processes contribute to the achievement of basic education outcomes. The Department has already provided internal guidance (DepEd Order 13, s. 2015) for the development of effective and efficient policies. With this in place, DepEd's next concern is to ensure that these policies are implemented and translated into appropriate programs.

- Analyzing supply and demand of teachers
- Impact of School Improvement Plans on learning outcomes
- Analysis of the education system's resilience to environmental changes and shocks
- Causes of lower numbers of male enrollees
- Analysis of parental engagement to support access and quality

learning outcomes – includes addressing smooth transition of young children from pre-school/Child Development Center to kindergarten and low enrollment in kindergarten

#### **Cross-cutting Themes:**

1. Disaster Risk Reduction and Management
2. Gender and Development
3. Inclusive Education Programs (IPED, Madrasah, SPED, Special Interest Programs)
