Good day!

The 1Bataan Health Promotion Board, in partnership with concerned youth and health stakeholders, respectfully invites the **Youth Health Ambassadors (YHA) Advisers, Executive Officers, and Presidents** to participate in the **Tobacco-Free Generation (TFG) Training of Trainers (ToT)** in preparation for the **Provincial-Wide TFG Social Movement Advocacy Campaign**, to be held on **February 13, 2026, from 8:00 AM to 5:00 PM at the Tourism Pavilion (Kalayaan Ballroom), Balanga City**.

The Tobacco-Free Generation (TFG) Social Movement has been sustained in the Province of Bataan since 2016 as a key preventive public health strategy to protect the youth from tobacco and vaping initiation. Central to this advocacy is the active involvement of Youth Health Ambassadors who serve as peer educators, advocates, and role models in promoting healthy, tobacco-free lifestyles.

This Training of Trainers aims to capacitate Youth Health Ambassadors and youth leaders with enhanced knowledge on tobacco and vaping prevention, strengthen facilitation and advocacy skills, and prepare participants to serve as lead trainers and coordinators during the implementation of the Provincial-Wide TFG Social Movement Campaign. The training will also prepare participants for their vital roles in the culminating activity, the **Largest Dance Fitness Exercise**, and in sustaining year-round advocacy, trainings, and seminars across schools and communities.

In view of your important role in youth health promotion and advocacy, your participation is highly encouraged as you will serve as one of the core trainers and implementers of the TFG initiatives in your respective areas.

We look forward to your continued support and active participation in strengthening the Tobacco-Free Generation Social Movement in the Province of Bataan.

Thank you very much.

Very truly yours,

Oliver R. Enriquez
