DIVISION MEMORANDUM

No. 096, s. 2026

**DELIVERY OF NEAR FIELD COMMUNICATION (NFC) SCANNER PACKAGE
TO PUBLIC SCHOOLS**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public School District Supervisors
Public Elementary and Secondary School Heads
School ICT Coordinators
School Property Custodians
All Others Concerned

1. This Office informs all concerned regarding the **delivery of NFC Scanner Package to the public schools within Bataan Province** from February 18 to March 3, 2026.
2. All School Heads, with their respective School ICT Coordinators, are hereby directed to ensure compliance with the following pre-installation requirements.
 - The equipment shall be installed in a strategic and highly visible area near the school's main entrance or exit to ensure efficient monitoring and scanning.
 - The location must be covered by a dedicated CCTV camera focused on the unit.
 - The designated site must be dry, clean, well-ventilated, and protected from direct sunlight, heat, rain, or any water exposure.
 - The equipment shall be mounted approximately four (4) feet from the finished floor level and positioned near a functional electrical outlet. If necessary, a properly secured wall-mounted extension socket or power strip shall be provided to ensure safety.
3. See the attached letter and schedule from the Bataan Provincial Information Office (PIO) for reference.
4. Immediate dissemination of this Memorandum is desired.

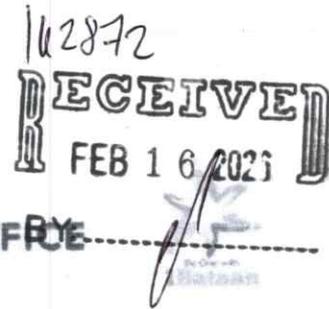

CAROLINA S. VIOLETA, EdD, CESO V

CAROLINA S. VIOLETA, EdD, CESO V
Schools Division Superintendent
Schools Division Office of Bataan
Calaylayan, Abucay, Bataan

Dear SDS Violeta:

Greetings from the Provincial Information Office!

We extend our sincere appreciation for your continued support in the rollout of the **Bataño Pass** to selected schools under the **Schools Division Office (SDO) of Bataan**.

As part of our shared commitment to this initiative, the **Provincial Information Technology Office (PITO)**, in partnership with **NSpire**, will deliver IT equipment for the implementation of the program in all **214 schools** under **SDO-Bataan**.

In this regard, we respectfully request your support and assistance in coordinating with the concerned schools **through the Division Issuance of Memorandum**. We also request that the memorandum include the following requirements and conditions to ensure a smooth and efficient delivery:

- The equipment shall be installed in a strategic, high-visibility area near the school's main entrance/exit to support efficient scanning and monitoring. For security purposes, the designated area must be covered by a dedicated CCTV camera focused on the equipment.
- The designated site must be dry, clean, and well-ventilated, not exposed to direct sunlight or excessive heat, and protected from rain, leaks, or any form of water exposure.
- The designated site should be approximately 4 feet from the finished floor level, to ensure consistent and accessible scanning for users.
- The installation site must be within reach of a functional electrical outlet. If a wall outlet is not immediately adjacent, the school shall provide a secure, wall-mounted extension socket/power strip to prevent tripping hazards and accidental disconnection

The said activity will be the 1st Phase of the roll out, the team will be conducting the 2nd Phase which will include the on-site registration at a later schedule.

Attached herewith is the **delivery schedule** for your reference.

For any inquiries or clarifications, please contact Mr. Jan Raven L. Ochoa at 0930-788-0860 or email us at bataenopass@bataan.gov.ph.

We appreciate your continued support and cooperation in this initiative.

Very truly yours,

ANGELINE OL. LARA
Provincial Information Officer
