DIVISION LETTER
No. 045, s. 2026

MAR 11 2026

FOURTH QUARTERLY EXAMINATIONS FOR GRADES 10-12

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Public Secondary School Principals
All Others Concerned

This Office announces that the Fourth Quarterly Examinations for Grades 10–12 will be conducted via the DepEd Bataan Learning Management System (LMS). The system will be open for testing from March 12, 2026 to March 20, 2026.

For all other learning areas not available on the LMS platform, teacher-made examinations shall be utilized.

Attached herewith is the letter from the LMS provider for your reference.

Immediate dissemination of this letter is desired.

CAROLINA S. VIOLETA, EdD, CESO V
Schools Division Superintendent

Subject: Partnership and Continued Support for the Quarter 4 Division Unified Examinations for Grades 10, 11, and 12

Dear SDS Violeta,

On behalf of Xepto Education, I would like to extend our congratulations to the Schools Division Office of Bataan for the nearing completion of another productive academic year. Following the meaningful foundation established during our previous unified examinations, we remain dedicated to supporting your division's data-driven approach to student performance.

As we approach the final phase of the school year, we are pleased to reaffirm our commitment by supporting the upcoming **Quarter 4 Division Unified Examinations** for Grades 10, 11, and 12. We understand that various schools and classes across the division are scheduled to administer these assessments starting the week of March 12 through March 20, 2026.

The unified examinations will continue to cover the following subjects for each grade level:

Grade 10:

- Filipino
- English
- Mathematics
- Science
- Araling Panlipunan
- Edukasyon sa Pagpapakatao
- MAPEH
- Electrical Installation and Maintenance (EIM)
- Computer Systems Servicing (CSS)
- Garments
- Cookery
- Shielded Metal Arc Welding (SMAW)

Grade 11:

- Reading and Writing Skills
- Statistics and Probability

- Physical Science
- General Biology
- Disciplines and Ideas in the Applied Social Sciences
- Health Optimizing Physical Education 4

Grade 12:

- General Physics 2
- General Chemistry 1
- Understanding Culture, Society, and Politics

The Xepto platform remains fully equipped to handle both online and offline examination modalities. For detailed instructions, all personnel are directed to refer to the attached updated annex, "Guidelines on the Administration of the Quarter 4 Unified Examination".

Our team is committed to providing the same level of continuous support. Should you or any personnel encounter technical difficulties, please contact your designated school LMS Champion for immediate assistance.

We look forward to a successful conclusion of this year's unified examinations and to our ongoing partnership in fostering academic excellence within the Division of Bataan.

Respectfully yours,

Ernie R. Tarroza
General Manager
Xepto Education

GUIDELINES ON THE ADMINISTRATION OF THE UNIFIED EXAMINATION

I. For Online Examination Modality

Teachers assigned to administer the unified examination online shall follow these steps to ensure proper setup and access for students:

1. Access the Examination: Log in to XEPTO Learning Management System (LMS) and navigate to the unified examination portal.
2. Set Availability: Configure the examination settings. Set the correct date and time window during which the exam will be accessible to students.
3. Confirm Grade Category:
 - For Junior High School, ensure the category is set to JHS Q4.
 - For Senior High School, ensure the category is set to SHS Q4.
4. Confirm Xepto Tags: Verify that the tag is set to Q4 Assessment. This is crucial for proper data collation.
5. Save and Publish: Once all settings are confirmed, save the configuration to make the examination live at the scheduled time.

II. For Offline Examination Modality (Print-Based)

For schools administering the examination offline using answer sheets, the following procedure must be observed:

1. Download Materials:
 - In the Xepto platform, navigate to: [More](#) → [Xepto Grades Tool](#) → [Answer Sheet Grader](#).
 - Download the official Questionnaire (PDF) and the corresponding Bubble Sheet (PDF) for your assigned subject and grade level.
2. Print Materials: Print a sufficient number of questionnaires and bubble sheets for all examinees.

III. Important Reminders for Students (Offline Modality)

Teachers must orient students on the following guidelines before they begin the examination to prevent scanning errors:

- Use LRN Only: Students must shade the bubbles corresponding to their correct and complete Learner Reference Number (LRN). No other information should be written in the LRN field.

- Keep Corners Clear: Do NOT write anything inside the four black square boxes located at the corners of the answer sheet. These are scanner alignment marks.
- No Extra Markings: Avoid any unnecessary marks, doodles, or additional bubbles on the sheet.
- Shade Properly: Shade the entire bubble completely and darkly.

IV. Scanning of Completed Answer Sheets

1. After the examination, collect all completed answer sheets.
2. Use a smartphone with the Xepto Grader application (available on the Google Play Store) to scan each sheet.
3. Ensure you are in a well-lit area to avoid scanning errors. Follow the on-screen prompts in the application.

V. Support and Assistance

Should you have any questions or encounter technical difficulties, please click the Help button on the platform or contact your designated school LMS Champion for immediate assistance.
