3. The fire prevention training aims to:
  - a. Recognize and empower women as key partners in promoting safety and resilience.
  - b. Equip participants with practical knowledge and skills in fire prevention, response, and emergency preparedness.
  - c. Promote gender-responsive approaches in safety and disaster risk reduction activities.
  - d. Celebrate the contribution of women in building safer and more resilient communities.
4. Everyone is highly encouraged to wear purple in relation to the celebration of National Women's Month.
