**3<sup>RD</sup> IRCESS 2026 BY THE ASIAN SOCIETY FOR PRODUCTIVITY AND  
 INNOVATION IN RESEARCH AND EDUCATION**

This is to announce that the Asian Society for Productivity and Innovation in Research and Education (ASPIRE) in partnership with Perspectives in Sustainable Development Studies (PSDS) will hold its 3<sup>rd</sup> IRCESS 2026 on May 2, 2026, 9:00 am to 5:00 pm via online zoom teleconferencing.

The conference serves as a premier forum for scholars and educators to present their research and engage in meaningful dialogue on the critical issues shaping our world today. Since its inception in 2024, this annual event has grown into a vital platform that bridges rigorous academic inquiry with real world impact. Building on last year's theme, "Global Perspectives, Local Solutions," the 2026 conference will center on the theme: Sustainable Development and Social Transformation in Education and Social Sciences.

For further information, all interested participants may contact the Asian Society for Productivity and Innovation in Research and Education at [aspireervices2024@gmail.com](mailto:aspireervices2024@gmail.com). Enclosed is the copy of the basic letter, for reference.

**Asian Society for Productivity and Innovation  
in Research and Education**

March 23, 2026

**To DepEd Regional Director/Assistant Regional Director**

Peace and all good to you!

We are delighted to extend to you an invitation to present papers in our upcoming research conference hosted by the Asian Society for Productivity and Innovation in Research and Education (ASPIRED). The organization humbly request that you support this issue in any way that you can, for an immersive conference on Education, Sustainable Development and Social Sciences. This invitation is only for advisory, the participation of the concerned individuals is in voluntary basis and to those who are interested only.

The 3rd IRCESS 2026 is organized by the **Asian Society for Productivity and Innovation in Research and Education (ASPIRED)** in partnership with **Perspectives in Sustainable Development Studies (PSDS)**. The conference serves as a premier forum for scholars and educators to present their research and engage in meaningful dialogue on the critical issues shaping our world today. Since its inception in 2024, this annual event has grown into a vital platform that bridges rigorous academic inquiry with real-world impact. Building on last year's theme, "Global Perspectives, Local Solutions," the 2026 conference will center on the theme: Sustainable Development and Social Transformation in Education and Social Sciences. We welcome contributions from a broad range of disciplines, including Education, Business Studies, Social Sciences, and STEM Education. The program will feature keynote addresses from leading global thinkers, fostering interdisciplinary collaboration and lasting impact on May 2, 2026 (Saturday; 9:00- 5:00) via Zoom Teleconferencing.

ASPIRED is dedicated to fostering excellence in research and education across Asia. Through collaboration with leading academic institutions, researchers, and educators, ASPIRED aims to propel Asia to the forefront of global innovation and knowledge advancement.

Your participation in our research conference would be an honor, and we are confident that your contribution will be invaluable to our audience.

Please feel free to contact us at +639518336285 or via email at [aspireervices2024@gmail.com](mailto:aspireervices2024@gmail.com) if you have any questions or require further information.

We do hope that your association will be conducive to furthering the success of the journal.

We thank you in anticipation of your positive response.
