SCHOOLS DIVISION OFFICE OF BATAAN

APR 13 2026

DIVISION ADVISORY

No. 124, s. 2026

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Public Elementary and Secondary School Heads
All Others Concerned

This Office informs all concerned that the Department of Science and Technology (DOST) - Central Luzon and the Commission on Audit (COA) will conduct a joint inventory of property, plant, and equipment, including semi-expendable items, acquired through DOST Programs.

Further, a virtual orientation regarding the abovementioned activity will be held on April 14, 2026, 8:00 am to 9:00 am.

Also attached are the List of Recipient DOST-CEST and GIA Projects and a letter from Ms. Catalina V. De Leon-Cruz, Provincial S&T Director, for further details and inquiries.

DR. EDWIN RIEL BERMILLO
Education Program Supervisor
and Various CEST and GIA Projects Leader

Dear Dr. Violeta:

We wish to inform your office that the Department of Science and Technology (DOST) - Central Luzon and the Commission on Audit (COA) shall conduct a joint inventory of property, plant, and equipment, including semi-expendable items, acquired through DOST Programs. This activity pertains to projects funded by the Community Empowerment Through Science and Technology (CEST) and Grants-in-Aid (GIA) programs implemented within the schools under your division.

Pursuant to Memorandum Circular No. 114 from the Office of the President, titled "*Directing All Government Agencies and Instrumentalities to Strictly Adopt Energy Conservation Protocols*," the proposed inventory strategies incorporate digital documentation to enhance operational efficiency. Consequently, schools are requested to submit geo-tagged pictures and video recordings of the implemented interventions. Should the DOST Inventory Committee and the COA representative find the submitted digital documentation satisfactory, the respective projects may be exempted from onsite physical inventory by DOST and COA personnel to be scheduled at a later date.

A virtual orientation regarding the said digital documentation of inventory is scheduled on April 14, 2026 at 8:00AM-9:00AM to be attended by project leaders, school heads and/or any authorized representative. While we acknowledge that teaching personnel are currently on an uninterrupted vacation period, the attendance of school heads or any available authorized staff will ensure the seamless execution of this digital documentation process.

In view of the foregoing, we cordially invite the concerned project leaders and seek your assistance in disseminating this information to the recipients of the DOST-CEST and GIA Projects, as detailed in the attached list.
