Dear Dr. Violeta:

Greetings from the Province of Bataan!

The Provincial Public Employment Service Office (PESO)- Bataan, in partnership with the Guidance Counselors and Coordinators Association of Bataan (GCCAB), respectfully invites the officers and members of GCCAB to attend the **2nd Quarter Meeting of GCCAB** in the morning and participate in the **Public Speaking Training cum Crafting of the Province-Wide Career Guidance Module** in the afternoon on **July 8, 2026**, at the **Pavilion, Provincial Tourism Office, Balanga City, Bataan**.

The morning session will serve as GCCAB's 2nd Quarter Meeting, providing an opportunity for guidance counselors and coordinators to discuss organizational updates, share best practices, and address emerging concerns and initiatives related to guidance and counseling services in the province.

Following the meeting, participants are invited to join the afternoon training and workshop, which aims to strengthen the communication and public speaking competencies of guidance practitioners and Public Employment Service Office (PESO) Managers. As professionals who regularly conduct orientations, career guidance activities, seminars, and stakeholder engagements, effective communication skills are essential in delivering meaningful and impactful services to students, parents, jobseekers, employers, and other stakeholders.

Likewise, the activity will serve as a collaborative platform for the development of the **Province-Wide Career Guidance Module**, which seeks to standardize and enhance career guidance delivery across educational institutions and local government units in Bataan. Through the collective expertise and experiences of guidance counselors, coordinators, and PESO Managers, the workshop aims to develop relevant and responsive career guidance content that aligns with current labor market trends and workforce development priorities.
