**II. Additional NDRM 2026 Activities for DepEd Field Offices and Schools**

In line with this, the Department of Education (DepEd), as the lead agency of the Education Cluster, enjoins all schools, Schools Division Offices (SDOs), and Regional Offices (ROs) to maximize the implementation of the M7X Ready Program and strengthen school earthquake preparedness and disaster resilience, including:

- a. For the full implementation of the M7X Ready Program, ensure the utilization of the M7X Ready Score card using the link [<https://bit.ly/M7XReady>] provided by the DepEd-DRRMS. Implement the M7X ready requirements, including the School Contingency Plan using PlanSmart for Safe Schools, Risk Communication Plan, Family Preparedness Plan, Learning Service and Continuity Plan, and other preparedness tools and templates provided under the program;
- b. Coordinate with the Bureau of Fire Protection (BFP) for the **conduct of annual fire safety inspections** and related fire prevention activities;
- c. Conduct unannounced earthquake drills in accordance with **DepEd Order No. 53, s. 2022**, or the Mandatory Unannounced Earthquake and Fire Drills

- in Schools policy, to assess and enhance the preparedness of learners, teaching personnel, and non-teaching personnel;
- d. Strengthen the implementation of typhoon preparedness and response measures pursuant to **DepEd Order No. 33, s. 2021**, including the updating of contingency plans, repositioning of resources, and dissemination of early warning information; and
  - e. Integrate learnings from the M7X Ready Program into school-based disaster preparedness, risk communication, and continuity planning initiatives to promote a culture of safety, preparedness, and resilience among school communities.

These activities shall complement the M7X Ready Program and contribute to the Department's continuing efforts to build safer, more prepared, and disaster-resilient learning environments.
