Dear Esteemed Education Representatives,

BY:.....9.....

Greetings from HelloWorld.

We are pleased to introduce **World Pitch 2026**, a free online global presentation competition for elementary, middle, and high school students from around the world.

The World Pitch invites students to explore what makes their communities unique and share their stories, ideas, and perspectives with an international audience in English. By turning what they know about their communities into an authentic global presentation, students are encouraged to look at their everyday surroundings in a new way and recognize the value of where they come from.

Through this experience, they can develop communication skills, confidence, curiosity, and global perspectives while developing the ability to communicate across cultures and become active participants in global exchange.

As the competition is free to participate in and open to students and schools worldwide, we hope to make this opportunity accessible to as many students as possible.

We would greatly appreciate your support in **sharing and disseminating World Pitch 2026 with schools, teachers, students, and relevant educational networks in your country**. With your support, we hope to reach more students who may benefit from this opportunity and encourage broader participation from communities around the world.

The program will culminate in a **Global Finals Online Event on December 23, 2026**, where selected student representatives from participating countries will present to an international audience. We would be honored to have your office support the program and join us during the Global Finals.

For full information about the competition, including eligibility, presentation themes, schedule, and application process, please visit the official website:

Applications are currently open, with submissions accepted until **October 30, 2026**.

Application form: <https://forms.gle/YEpqBxSyMRszK4wt9>

Thank you very much for your consideration and support. We hope to work together to give more students the opportunity to share their communities, perspectives, and voices with the world.

Sincerely,

HelloWorld Inc.
