2026 NATIONAL MILO MARATHON AND MILO CHAMP RUN

In celebration of its 62nd year in the Philippines, Nestlé Philippines' MILO shares its heritage and success as it renews its commitment to the country in building a strong nation of champions through the lineup of sports programs.

Five decades ago, the MILO Marathon made its mark in the Philippines as the first marathon recognized as a major national sports event. To this day, it remains the grandest, longest-running, and most prestigious running competition in the country.

This year, MILO continues its longstanding tradition through the National MILO Marathon while introducing a new initiative, the MILO Champ Run.

The MILO Marathon will host qualifying races in 15 cities nationwide. There will be four race categories for the regional races: 3K, 5K, 10K, and 21K. The Finals will feature five categories: 3K, 5K, 10K, 21K, and 42K.

This activity is designed for children and young learners, the MILO Champ Camp offers fun and appropriate race categories that encourage early interest in fitness, teamwork, and healthy lifestyles. This grassroots sports program aims to teach students the fundamentals of physical activity through sports. Developed in collaboration with experts from the University of the Philippines College of Human Kinetics, the program encourages kids to be active and nourishes them with MILO products afterwards. This initiative is set to be implemented in public schools nationwide from January to December.

Participation in this activity shall be voluntary and must adhere to the provisions of DepEd Order No. 009 s, 2026 titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education and Activities and DepEd Order No. 9 s, 2025 titled Instituting Measures to Increased Engaged Time-on Task and Ensuring Compliance Therewith.
